

We wish to thank athletes, parents and officials who helped us to run the competition. We do however need help with setting up the course and with the admin / taking entries. If you can help if only for a day or a couple of hours, please email at info@queenslandrunning.com.au.

If you have any feedback on any aspect of the club, including course distances, the calendar, entry fees, use of flags or any other matter, please send to info@queenslandrunning.com.au, or feel free to talk to any official you may know. The club is made up of its members and we welcome any assistance, support or suggestions.

Feedback from athletes on course distances, consistently showed the courses to be close to accurate. The 1500m course was 30 to 40 metres long on two GPS watches.

Observations from the Weather Bureau for Saturday at 3.00pm (Brisbane) showed that it was 26.1 degrees Celsius (apparent temp. was 25.7degrees) with 51% humidity and wind at 11 km/hr with gusts at 24 km/hr from an E direction. The day was fine. The course was for the most part firm but the grass was long and needed mowing.

If you notice any errors in times , or in the member data base could you please advise the correct details by email to Qldrunningresults@outlook.com .

** **1000 race** - due to a paper printer malfunction the times for the 1000 metre race were lost. If anyone has their times please let us know by return email (above). We normally have two watches on each race but due to a shortage of volunteers we only had one.*
